Objective

Dedicated and compassionate third-year Diploma in Midwifery student, committed to providing safe, respectful, and evidence-based maternal and newborn care. Seeking an opportunity to apply my clinical knowledge, hands-on skills, and empathetic communication in a hospital setting to support mothers and families during childbirth and postnatal care.

Experience

- Clinical practice at Dhaka Medical College and Hospital January, 2023 - October, 2025
Student midwife
 - Led care at Upazila Heath Complex, Dohar July, 2025 - August, 2025
Student midwife

Clinical Experience

Hospital Rotations Under Midwifery Curriculum:

- Antenatal Ward – Assisted in antenatal checkups, counselling, and documentation
 - Labour & Delivery Unit – Conducted and assisted in normal vaginal deliveries under supervision
 - Postnatal Ward – Provided newborn care, breastfeeding support, and postnatal education
 - Family Planning Unit – Observed and participated in family planning counselling sessions
 - Neonatal Care – Observed newborn assessments and basic neonatal resuscitation
 - Obstetric ICU: Observed management of critically ill obstetric patients.
 - Obstetric HDU: Assisted in monitoring high-risk pregnancy cases.
 - C/S Operating Theatre: Assisted in preparing patients and observing cesarean procedures.
 - Eclampsia Ward: Supported care and monitoring of eclampsia patients.
 - Feto-Maternal Medicine Unit: Observed management of high-risk fetal and maternal conditions.
 - Pediatric Medicine Ward: Provided pediatric care and monitoring.
 - Gynae Medicine Ward: Observed gynecological case management and patient care.
 - Fistula Ward: Assisted in basic care and rehabilitation of fistula patients.
 - Postoperative Ward (C/S): Monitored recovery and supported postoperative care.
